Letter to BCMEA and Members Employers

In response to the directions of the British Columbia Ministry of Health to limit the gathering of people in order to reduce the transmission of COVID-19, the International Longshore and Warehouse Union, Local 502, has implemented temporary changes to its dispatch procedure. We are implementing an online dispatch process, which we will fully implement on March 22, 2020. We are asking members and casuals to not come to the dispatch hall for an in-person dispatch wh
